Q6 Opinions

- Able to promote products and had business talks with new customers.
- Having arranged business meeting in advance, so the result was better than expected. Very satisfied because other exhibitors are potential customers. Want to take part in the next year as well.
- Many people came to our booth, and we had several concrete business talks.
- This is our first time to take part in a trade show in Japan. The number of visitors was small, but we hope this will bear fruit in the future.
- Some visitors were interested in our products, but the number was small overall.
- Fewer people showed interest in our products.
 They asked few questions.
